Sunday	9:30 AM	C4 Auction – Carver Salon III
	10:30 – 4:00	M&G Auctions, being called by Dan Freidus Bourse open to Dealers Bourse open to the Public

Ok Friends,

This is a preliminary Schedule, subject to change. So please double check the timing and location of events at the convention. This is as accurate as I can be a week ahead of time.

All events are to be in Carver Salon III at this point in time, so there's no need to leave the main hotel for any events. Carver Salon III is on the Mezzanine Level, the same as the restaurant. This room is available from 4:30 until the C4 Reception starts at 8:30 on Thursday, in case anyone wants to make use of it.

You'll also notice that there is not a NJ Copper Symposium this year before the educational events, but rather a State Copper Symposium scheduled as part of the educational events. This was placed last so that if it ran overtime, it would not interfere with another speaker.

I'm sure you've also noticed that David Bowers is our featured speaker and starting the evening's events. David is not restricted to a specific time frame and the following events will start when his is done.

On Friday afternoon there will be a public dedication of an historic marker at the site of the Boston Mint, where Hull & Sanderson struck the MA Silver coinage. It will start PROMPTLY at 3:30 and last about 15 minutes. Please plan to be there for this historic event.

Your C4 Officers, committees and volunteers have made this all possible. Please take advantage of everything provided.

Ray Williams

## C4's Focus and Purpose

The Colonial Coin Collectors Club (C4) was founded in 1993 to provide a forum for collectors of numismatic material related to the Early American era. This involves coins, tokens, currency, and medals. The exact time frame encompassed by colonial numismatics is open to debate, but is generally accepted to include the complete pre-federal period as well as some issues of the 1790's. The early George Washington coins, tokens and medals are considered colonial items by most, and some of these date to the first half of the nineteenth century.

The club provides a forum for people interested in this period. The aims of the club are:

- 1- To increase the public's knowledge about colonial numismatics through meetings, conventions and its newsletter.
- 2- To promote the study of colonial numismatics and to help disseminate this information.
- 3- To cultivate fraternal collector relations.

For these purposes, the club will hold several meetings during the year in conjunction with major numismatic shows. The club has also established a colonial reference library and a colonial coin photo file. In addition, the C4 Newsletter is published quarterly.

## A FEW WORDS FROM YOUR PRESIDENT...

I'd like to welcome you to our 14<sup>th</sup> consecutive Annual C4 Convention held in Conjunction with the Bay State Show. You making the effort to attend is every bit as important to the success of the convention as are the events planned and the dealers who exhibit their wares. There needs to be a good representation of both for success. As you can see from the Convention Schedule, we have prepared a lot for you to take advantage of. Please do so.

There are many volunteers that make these conventions a success. I would personally like to thank Dennis Wierzba - Convention Chairman; Buell Ish - Exhibits Chairman; Mike Packard - Education Chairman; Chris McCawley & Bob Grellman (M&G) - C4 Auction; Tom Rinaldo & John Kraljevich - C4 Auction Catalogers. Then there are our Educational Forum Speakers, Exhibitors, Consignors, givers of Donated Lots, Table Workers and all the C4 Member Dealers that deserve out heart felt gratitude.

I am so proud to be your president! The camaraderie we experience is unlike anything elsewhere in the numismatic world. The willingness of members to help each other and share information is admirable. When a task arises, volunteers are in line to help out. You guys and gals are the BEST!

In addition to the usual events you have come to expect at a C4 Convention, the Bostonian Society is dedicating an Historic Marker to commemorate the site of the Boston Mint - where Hull and Sanderson struck the MA silver coinage from 1652 until the 1680s. This event will take place Friday afternoon at 3:30 at Macy's department store, 450 Washington St, near the intersection of Summer St. I understand it's a 10-minute walk from the convention, but please allow extra time to walk as the event will start promptly and last about 15 minutes.

If this is your first convention, please find me and introduce yourself. I should be easy to find. Have FUN, enjoy yourself and take advantage of all that is offered. Please see me or any C4 officer with comments, recommendations or questions.

Ray Williams

## **EXHIBITS**

### **"Trying to make SENSE of the Simian Family Counterfeit Halfpence and Farthings of George II and George III"**

#### **"What was money worth in the 18th century?"**

This exhibit will feature items that shed light on exchange rates and what the coins we collect would buy when they were in circulation

#### **"Early American Communion Tokens"**

While used by several churches throughout Europe and England beginning in the late 16th century, communion tokens were most widely used in the Presbyterian churches of Scotland, to protect communicants from betrayal by spies during periods of religious persecution. The use of communion tokens in the Presbyterian churches of Scotland began during the reign of the Stuarts in 1605. The conflict between church and state continued until the reign of William and Mary and the establishment of the Presbyterian Church as the Church of Scotland in 1690. Although the need for tokens because of religious persecution was diminished, the practice of issuing Communion tokens continued in Scotland until World War I, and a few of the Reformed Presbyterian Churches in the United States and Canada may have used tokens until about 1950. A number of churches have issued tokens in recent years, but these are normally replicas to commemorate a church centennial or some other important event. This exhibit has examples of several early communion tokens used by churches in the United States from the 1780's through the early 1800's. Most of these tokens were produced in small numbers, often 100 or fewer being struck. There are many rarities in this series, making the collection of these pieces a challenge.

Those interested in exhibiting at the 2009 C4 Convention should contact our Exhibits Chairman, Buell Ish. We appreciate the efforts of Buell and this year's exhibitors in giving us a fresh perspective into colonial finances and coinage.

YOU ARE INVITED... at 3:30 Friday afternoon, the Bostonian Society will be having a dedication for the Historical Marker at the site of the original Boston Mint where Hull and Sanderson struck Massachusetts silver coinage. The location is at Macy's Department Store, 450 Washington Street, a 15-minute walk from the hotel. Map and Directions inside.
